The Spicy Margarita is one variation that has taken hold and never released its grip, that timeless blend of sweet, sour, and earthy flavors. Served on "THE ROCK's!"

Empress Gin Fizz 16

Originally called the Ramos Gin Fizz or New Orleans Fizz, we've taken one of the most trending gins and created our own! Think about ordering two because these go down way too fast.

New York Sour 16

This classic cocktail was originally invented in the 1880's. Lost but never forgotten, the New York Sour is once again becoming a trending cocktail that you must try.

Pineapple Daiquiri 16

Rum drinker or not, you're going to love this one. The Daiquiri has come a long way from the original concept. We've taken the current trend and added to it making you feel like you're back at the beach!

Bearspaw Caesar 17

Did you know the Caesar is commonly associated with, or being inspired by the Bloody Mary? Its actual inspiration comes from a trip to Italy and a plate of spaghetti! What makes it even better is how different our mixologists put a unique spin on our Bearspaw Caesar.
