## BEARSPAW COCKTAILS

### Old Fashioned Campfire 18

Our Old Fashioned will have you thinking you're sitting by a campfire under the stars, recapping a perfect day. Made with Bearspaw GC honey.

### Spicy Marg 18

The Spicy Margarita is one variation that has taken hold and never released its grip, that timeless blend of sweet, sour, and earthy flavors. Served on "THE ROCK's!"

### Gin Mule 16

Whereas an actual mule is the offspring of a male donkey and a female horse, a GIN MULE is the offspring of whimsy and leisure. Deliciously infused with Lime and Mint leaf.

### Nespresso Martini 15

Nespresso Martini combines the two favorite drinks of the world, Coffee, and Vodka.

### Empress Gin Fizz 16

Originally called the Ramos Gin Fizz or New Orleans Fizz, we've taken one of the most trending gins and created our own! Think about ordering two because these go down way too fast.

### Pineapple Daiquiri 16

Rum drinker or not, you're going to love this one. The Daiquiri has come a long way from the original concept. We've taken the current trend and added to it making you feel like you're back at the beach!

### Par-Fect Mojito 16

Refresh with our Lemongrass Mojito! This twist on the classic combines lemongrass sweetness, lime juice, and minty coolness with a splash of limoncello. Perfect for a sunny day on the green or a post-game toast.

### Bearspaw Caesar 17

Did you know the Caesar is commonly associated with, or being inspired by the Bloody Mary? Its actual inspiration comes from a trip to Italy and a plate of spaghetti! What makes it even better is how different our mixologists put a unique spin on our Bearspaw Caesar.
